

Dear CLCS Family,

Yearbooks are generally associated with the end of the school year. However, September and October are the months for ordering the books so that the company can begin its preparations.

I want to tell you that I am excited about the 2009 **CENTURION!** We are looking forward to a great year this year! Last year's book turned out great and we're looking to produce another great book. Best of all, though -- we will have lots of pictures of your students doing what they do best: goofing off in the hallways, playing hard on the athletic field, singing, playing instruments, and most importantly, studying! (Yes, these are the hardest pictures to get!)

When the book is presented in the spring, I know that no student will want to be without one. Without giving away any secrets or surprises, I assure you that this is going to be a great book! Please order your book now!

The price of the book is \$40. Please order your book by November 14, 2008 so that we know how many books to order from the company.

Checks may be made out to the **CENTURION!** or to Cross Lanes Christian School. Please return your cash or check with the form below to the school office, or directly to one of the yearbook staff members. This is going to be a great book!

Thanks for supporting the yearbook!

Miss Leithmann
